

...PTA Newsflash...

Are you tired of fundraising?

Everybody is doing it these days...school organizations, ball teams, cheerleading squads and church youth groups. If you are tired of buying wrapping paper that you won't use, candy that you don't need or magazines that you won't read just so that the organization will receive 40-50% of the money,

WE THINK WE HAVE THE ANSWER!

We are asking that every BRMS parent join the PTA and make a one-time donation instead of doing fundraisers this fall. You may join at one of four levels and you will receive different BRMS spirit items at each level. These items will only be available with a PTA membership. They will not be sold separately. Please check a level below and bring this form and your payment to school.

— **MEMBERSHIP ONLY:** \$5.00

— **GOLD LEVEL:** \$75.00

Please note...if this donation program does not generate enough money to support the PTA budget, we will be forced to implement a fundraiser later this Fall. Therefore, do not delay. Please donate now!

Also, we will still do the SPIRIT CARD fundraiser in January. It is too easy and too profitable not to do it! Every year we have people in the community calling and asking for the cards and we make about \$6000 in just a couple of weeks. Everyone who buys these cards gets more than the \$10.00 that they spend back in savings.
